

Announcement

3rd International Conference

on

**Science and Technology of Ironmaking
and Steelmaking**

(STIS-2017)

Organizer:

Department of Materials Science and Engineering

Indian Institute of Technology, Kanpur

December 11th -13th , 2017

International Conference on Science & Technology of Ironmaking and Steelmaking

[STIS-2017, IIT Kanpur, December 11th-13th, 2017]

The 3rd international conference on Science and Technology of Iron and Steelmaking (STIS-2017) is planned to be held at the Indian Institute of Technology, Kanpur (INDIA) from December 11th to 13th, 2017. STIS series of conference, held once in four years, is an Indian initiative, the major objective of which is to create and sustain interest in iron and steelmaking.

Iron and steel production in India, has been growing steadily and is expected to touch 300 MTPA mark by 2025. Research and development as well as steel education are therefore national priorities. The success of previous STIS conferences generates hope that STIS - 2017, held in a vibrant academic environment, shall provide a unique platform to academicians and researchers from around the world to present, discuss and deliberate issues related primarily with education, research and production of iron and steel. With participation of world renowned academicians and experts from the industry, STIS-2017 is likely to be an excellent knowledge sharing platform helping students, engineers and researchers remain up-to-date with various current issues challenging the steel industry.

Conference Chair	Prof. Dipak Mazumdar
Associate Chair	Prof. Amarendra Singh
STIS National Executive Committee (2013-2017)	Prof. A.Ghosh (formerly with IIT Kanpur), Kolkata (Chairperson)
	Prof. Govind S. Gupta, IISc., Bengaluru (Co-ordinator)
	Dr. T. Venugopal (Tata Steel), Mr. P. Madhusudan (RINL), Mr. P.Rajashankar (JSW Steel), Prof. G.G.Roy (IIT Kharagpur), Prof. N.Viswanathan (IIT Mumbai), Dr. Sanak Misra (India Steel Association), Prof. N.Chakraborty (IIT Kharagpur), Dr. S.Srikant (NML, Jamshedpur), Mr. Damodar Mittal (JSPL, Angul), Prof. N.B.Ballal (IIT, Mumbai) , Prof. M.Chakraborty (IIT , Kharagpur) and Mr. V. Balasubramanian (Kalyani Carpenter, Pune).

For further information please contact either Prof. A.Upadhyaya, Head of the Department (**e-mail : anishu@iitk.ac.in**) or Prof. Dipak Mazumdar, STIS-2017 Chair, (**e-mail: dipak@iitk.ac.in; stis17@iitk.ac.in**), Department of Materials Science and Engineering, IIT, Kanpur, 208016.
