

"It was a fantastic conference with excellent hospitality. We were very happy to sponsor it, and in future if you need any other support please think of us."

Prof. Kinnor Chattopadhyay
University of Toronto, Canada

"Thank you very much for the excellent hospitality shown during my visit to IIT Kanpur. Meticulous attention to details were the hall mark of the arrangements. The conference indeed was a veritable learning experience. Special thanks for arranging the Felicitation Function, which made the trip a memorable experience. Then there was the performance of Shri Tanmoy Bose. Wah!"

Prof. N.B. Ballal
IIT Bombay, Mumbai

"It was a wonderful time for all of us at IITK campus from 11th to 13th December. The conference was held with zero defect, the credit goes solely to you. I wish the Proceedings of the Education panel be edited and circulated. That was a very timely stuff."

Prof. G.S. Upadhyaya
Former Professor, IIT Kanpur

".....congratulations for a wonderful conference!! it was absolutely fruitful for me to make a new steel network in India. Thank you so much for perfect organization for everything....."

Prof. Joohyun Park
Hanyang University, Korea

"So, my congratulations on a brilliantly arranged and conducted, STIS 2017 Conference, and thanks very much for looking after me so well."

Prof. Rod Guthrie
McGill University, Canada

"There is no word to express our gratitude for the personal care which you have taken during our stay at IITK campus (our second home). Our sincere thanks are also due to all the organizers, volunteers and personnel involved directly or indirectly in making STIS 2017 a memorable event in our lives."

Dr. Tapash K Ray
Tata Steel, India

"Thank you very much for this wonderful opportunity to participate the STIS 2017 in Kanpur. You made a great job. Congratulation for the organization of this high ranking conference."

*Prof. Johannes Schenk
Montanuniversitaet Leoben, Austria*

"I want to extend a heart-felt thank you for your commitment to making this event so successful. It was great to attend such a Seminar with experts, professors and professionals from all over the world. The whole world of iron and steel had gathered at Kanpur during those 3 days. I understand you and your teams meticulous planning and hard work had manifested in such a fantastic seminar."

*Arghya Mazumdar
Vizag Steel, Visakhapatnam*

"It was a wonderful experience, attending the STIS'17 and thank you and your team for the opportunity to showcase our technologies and have meaningful discussions during the two days that I was there."

*Arup Ghose
Praxair, Bengaluru*

"I wish to thank you for all your efforts in planning, arranging, and executing the most successful international conference in an area which has been very close to my heart most of my adult life. I hope that you have been able to get some rest after years of hard work in arranging this conference..... The quality of this conference was extremely high with amazingly few cancellations. I certainly hope that it will renew the interest in iron and steelmaking related areas. The hospitality at this conference was certainly out of this world."

*Prof. Yogeshwar Sahai
Ohio State University, USA*

"I finally got a chance to look over the photographs. You have captured the event well. Thanks for your hospitality and hosting a great conference."

*Prof. Brian Monaghan
University of Wollongong, Australia*

"We are delighted to learn that STIS 2017 was a Grand Success. It had to happen we knew as you were the Driving force behind. We also feel proud as an Indian that so many stalwarts from around the Globe, participated in this event. We convey our sincere thanks to you and heartily recognize your prowess in organizing an International Event."

*Rabindra Nath Das
Executive Director, Hi-ech Chemicals*
